
A characterful portrait of a Lady

SOLD

REF: 5043

Height: 7 cm (2 3/4")

Short Description

Plimer specialised in portrait miniatures. His work was exhibited at the Royal Academy from 1768 to 1810 and in 1819. His most famous painting is of the three daughters of Sir John Rushout. His brother Nathaniel Plimer also became a pupil of Cosway and a painter of miniatures.

Whilst many of Andrew's later works - after 1786 - tend to be a little stylised and pretty this miniature is a masterful display of character and honesty to detail.
